Fishing Guide 2020

RUTLAND WATER

GRAFHAM WATER

PITSFORD WATER

RAVENSTHORPE

ALTON WATER

TAVERHAM MILL

HOLLOWELL RESERVOIR

Welcome

Welcome to the 2020 edition of Hooked!

Some of the highlights from 2019 included a record Rainbow at Ravensthorpe weighing a whopping 18lb. Ravensthorpe's close neighbour Pitsford Water showed great consistency in terms of sport throughout the season.

Anglers at Grafham enjoyed a good season with a particularly staggering back end and winter fishing which has been nothing short of spectacular. And it's easy to see why it was voted Number One Stillwater by readers of Trout Fisherman.

Rutland Water's specimen Browns are continuing to provide many anglers with the fish of a lifetime. The water is on the 'bucket list' for anglers from far and wide; many of whom enjoy our 3 day boat package with the added benefit that they can mix and match with our other waters.

A new innovation for 2020 is a change to the format of our Anglian Water Airflo International competition. Teams now only need to fish one heat for a chance to qualify for the prestigious International Final at Rutland or the Grafham Water Championship. All heats are open to all anglers with no regional restrictions.

Introducing new anglers to the sport has always been important to us. With Peter Hartley, our senior instructor, at the helm our beginners' and boat handling courses deliver first class tuition. Testimonials include "...had the best time, learnt lots and is beyond thrilled with the amount of fish he caught! It couldn't have gone any better" and "Thanks again for the absolutely brilliant boat handling session on Monday! I'm sure the book and the guidance you gave us will improve our casting no end."

As we move into a new decade and start the 2020 season anglers will enjoy the benefits of our continued investment in maintaining our boat fleets. We launched 10 new boats at Rutland and Grafham last year. Our friendly staff are on hand to offer tips on the best methods and guidance on the best areas to fish. Take advantage of the great deals in our well stocked tackle shops and pop into one of our cafes to enjoy some great value home cooked food. At the end of the day don't forget to submit your catch returns as they are vital in the running of our fisheries.

Our mission is to deliver the best trout, predator and coarse fishing and on behalf of the teams across all of our waters we look forward to welcoming you in 2020.

Rutland and Grafham Cafés!!

Open every day

Start your day with an Anglers Full English Breakfast £6.95 Includes 2 rashers of bacon, 2 sausages, 2 hash browns, baked beans, mushrooms, fried egg, tomato and a cup of tea or coffee.

Special discount rate for an anglers breakfast available for pre-booked groups of 15 anglers or more for only £5 per person. If you have an early start, chat to us in the café and we will accommodate your day.

£3 Special!!!

All anglers can get a bacon sandwich with a tea or filter coffee for £3. Just show your valid permit at the café.

Got a Special Event?

We can also cater for that post match meal, event or celebratory lunch, just ask our staff for more details

Stop the Spread

We are committed to protecting the environment. To keep our waters safe from invasive plants and animals we insist on all anglers following the Check, Clean, Dry Initiative. Non-native species can be spread in any water or material. If you are visiting a water body there is a real risk that you could spread harmful organisms unless you follow good biosecurity practice.

Biosecurity means taking steps to make sure that good hygiene practices are in place to reduce and minimise the risk of spreading invasive non-native species. A good biosecurity routine is essential, even if invasive non-native species are not always apparent. This means you should:

CHECK your equipment and clothing for living plants and animals. Pay particular attention to areas that are damp or hard to inspect.

CLEAN and wash all equipment, footwear and clothes thoroughly. If you do come across any plants or animals, leave them at the water body where you found them.

DRY all equipment and clothing - some species can live for many days in moist conditions. Make sure you don't transfer water elsewhere.

Thank you for helping to keep our fisheries safe from invasive plants and animals.

Be part of something...

Clubs are a great way to make friends, share news and pick up hints, tips and tricks that have been learnt the hard way! There are a number of friendly clubs based around our fisheries, which offer informal tuition and advice along with winter programmes, social events and friendly competitions. These clubs play a big part in supporting our evening boat leagues, charity matches and much more. Some even offer free membership for one year to anglers who have attended an Anglian Water Beginners course.

Find your local club below and get involved now!

RUTLAND WATER FLY FISHERS

www.facebook.com/rutlandwaterflyfishers

Open Weekend Saturday 8th and Sunday 9th August 2020
10:00am - 16:00 at Rutland Water Fishing Lodge,
Normanton, LE15 8HD

Come and have a go at casting and fly tying and take the opportunity to go out with a local expert in a boat and catch a trout. Followed by a barbecue

See Rutland Water Fly Fishers Facebook page for details

GRAFHAM WATER FLY FISHERS ASSOCIATION

www.gwffa-grafham.co.uk

Coaching Day 1st August 2020

Come and have a go at casting and fly tying and take the opportunity to partner a local expert in a boat and catch a trout or two.

10:00 till 16:00 at Grafham Water Fishing Lodge, PE28 0BX
Booking essential please call Grafham Fishing Lodge on

News from the Fishing Lodges

This year we are really pushing the boat out (no pun intended) with plenty of opportunities to grab a bargain across our fishing lodges.

From January through to the Spring we are going to be having an 'end of Season, clearance sale' at Rutland and Grafham lodges with selected rods, fly lines and clothing reduced to silly prices!

We will also continue to offer price matching on items £25 and above. So why not support your local tackle shop! We will match the cheapest price in the UK, with the added benefit of being able to touch and feel the product before making a purchase. Can't see what you are looking for.....we can order it in, we won't even charge delivery!!

This season we will continue our popular 'buy 10 flies and get one free' deal, as well as our wader and boots deals. This year look out for a new 'Buy one get one half price' deal on our Buff range.

Remember if you are an angling season ticket holder you receive a 10% discount on tackle retail sales,, a good reason to consider purchasing one of our four water season tickets and enjoying the fantastic value for money fishing on our waters!

This season at Rutland expect to see an expanded range of Pike fly gear, as we cater for this ever growing popular branch of our sport, with a range of Pike flies, sundries as well as rod and reel options.

Finally remember to keep an eye out for our ever popular Festive sale at the end of the year!

Beginners Fly Fishing Tuition and Improvers Days 2020

If you want to start fly fishing or are already on your way, our fly fishing courses will help you to get to grips with the basics. The courses are run throughout the year, on weekdays and weekends. Experienced and qualified Angling Trust instructors offer a full day's tuition and cover the skills and tactics which the beginner needs to learn.

All equipment and licences are provided.

If you have your own tackle, please bring it. We can assess its suitability for reservoir fishing.

We will discuss, demonstrate and teach you :-

- Tying knots and leaders
- Casting
- Fly selection and tying
- Tackle selection
- Basic fishing techniques

We will cover all this in the morning and spend the afternoon putting your newly acquired knowledge into practice.

The Cost including refreshments and a light lunch is £88 for an adult, £67 for juniors (14-17).

Find a suitable date and then book a course by calling the fishing lodge. There will be a maximum of six students on any course.

On completing the course you will be entitled to buy a Starter Season Permit - an offer only available to our students.

Boat Handling Courses 2020

If you are unsure about how to work the boat and fishing correctly from the boat, these days will prove invaluable.

An experienced and competent instructor will spend time with you on all aspects of safety, control of the engine, the effect of weather conditions and your own comfort, so that you obtain the most enjoyment from a day in a boat.

The instructor will spend three hours with you and you can then continue fishing for the rest of the day.

Cost is £52 per angler based on two anglers sharing a boat.

Starting Out On A Big Water

Simon Kidd shares his tips for starting out

Anglian Water's reservoirs don't just supply essential water across the Eastern counties they offer superb facilities for some of the best trout fishing in the country.

Rutland, Grafham and Pitsford are regularly well stocked with many fighting fit Rainbow and Brown trout.

Here's an easy guide for newcomers - remember there's always someone on hand so don't be afraid to ask.....

What do I need?

For access, information and tickets, each venue has a well stocked tackle shop. Here you can arrange lessons with friendly advice on where to start fishing and how.

When it comes to equipment a 9-10 foot fly rod with matching reel and fly line(s) plus a small selection of flies is ideal to get started. There may be special deals available to help newcomers get started. There's always someone on hand in the tackle shop to help you select the best tackle to suit your needs.

Expert tuition can be pre-booked; with Anglian Water offering fly fishing beginners courses and boat handling courses. The beginners courses will help you to get to grips with the basics with experienced and qualified instructors offering a full day's tuition.

Where to fish

Each venue has miles of bank fishing to enjoy and a fleet of boats at each too. It's best to target and approach one or two small hot spots. Don't try to cover everywhere and end up walking, driving or drifting aimlessly through vast areas of open empty water all day long. The best way to fish each venue is to seek out some sound local advice and instruction. Once you've learnt the basics many of the local fly fishing clubs offer informal tuition and get together - see page four for more information.

If you want to gain more experience afloat Rutland, Grafham and Pitsford run boat handling courses. Each water also hosts popular evening summer boat leagues, which are a great opportunity to fish alongside a more experienced boat partner in a friendly match environment.

Snowbee®

Anglian Water Airflo International 2020

The Anglian Water Airflo International (AWAI), sponsored by Airflo, is a prestigious event which sees teams of anglers from across the UK and Europe compete to be named AWAI champions.

2020 sees the introduction of a new format for our international fly-fishing championship, teams now only need to fish one heat for a chance to qualify for the International Final at Rutland Water or the Grafham Water Championship. All heats are open to all anglers with no regional restrictions.

Competing in teams of six, anglers will need to prove themselves by coming through the qualifying heats for the chance to compete in the International Final.

Heats take place at five top fisheries, including at Lake of Menteith in Scotland, Lough Melvin in Ireland and Llyn Brenig in Wales, plus three English qualifying heats (Rutland Water in April; Grafham Water in June and July). The two-day competition will see finalists fish Rutland Water.

And don't worry if you don't qualify for the final; runners-up can try their luck in the Grafham Water Championship.

WANT TO ENTER?

Come and be a part of this fun and friendly competition! Along with the honour of winning the prestigious trophy, we have great cash prizes and fantastic hospitality.

Trophies are also up for grabs for the biggest fish and the best placed overseas team, all of which will be awarded at the presentation dinner.

Teams must include six anglers and entry costs £186 per team. A 50% discount is available for clubs entering a second team

- Competition for teams of 6 anglers
- Heats on 5 top fisheries
- Based on International Rules
- Welsh, Scottish, Irish and three English qualifying heats
- Tackle prizes in all heats Grand International Final & presentation evening at Rutland Water
- Team Trophy and £1500 cash, plus individual medals and tackle prizes for International Winners
- £1000 cash plus individual medals and tackle prizes for runner-up team
- £500 cash plus individual medals and tackle prizes for third place team
- Overseas Team trophy
- Water Aid trophy for the biggest fish
- Top non-qualifying teams invited to the Grafham Water Championship
- Team Trophy and £1500 cash for the winners
- £1000 for runner-up team
- £500 cash for third place team
- Prize for Best Fish of the Day

Entry forms can be downloaded at:

www.anglianwaterparks.co.uk/fishing/anglian-water-airflo-international

If you feel like you want to enter and not currently a member of a team, drop us a line and we will list your interest and put together a team if there is enough members: fishing@anglianwater.co.uk

Dates are as follows:

Date	Venue	Qualifying Places Available
27 April	Rutland Water Heat	International Final x 3 Grafham Championship x 2
4 June	Lake Menteith Day Heat (Maximum of 10 teams per session)	International Final x 3 Grafham Championship x 2
4 June	Lake Menteith Evening Heat (Maximum of 10 teams per session)	International Final x 2 Grafham Championship x 2
20 June	Grafham Water Heat	International Final x 3 Grafham Championship x 2
18 July	Grafham Water Heat	International Final x 3 Grafham Championship x 2
TBC	Lough Melvin Heat	International Final x 3 Grafham Championship x 2
9 August	Lyn Brenig Heat	International Final x 3 Grafham Championship x 2
19 September	GRAFHAM WATER CHAMPIONSHIP - Grafham Water	(Practice on 18th September)
6 & 7 October	INTERNATIONAL FINAL - Rutland Water	(Practice on 5th)

AIRFLO
GO WITH THE FLO.™

love every drop
anglianwater.

Predator and

Rutland, Grafham, Pitsford & Ravensthorpe

These great lakes have proven pedigree for producing record making specimens, with Pike over 40lb, Perch over 5lb and Zander over 19lb!

The great news is that you can fish for these species on a variety of ticket options:

- Day ticket - Anglers can fish any of our waters on a day ticket basis.
- Season ticket - Valid for a year from date of purchase. Holders receive 10% discount off tackle and accessories from our tackle shops.
- Holiday package -Anglers can fish for 3 or more consecutive days and receive a generous discount. Anglers can 'mix and match' venues during their angling holiday

Don't forget all anglers get a bacon sandwich with a tea or filter coffee for just £3

Taverham Mill

Taverham Mill is a beautiful mixed coarse fishery comprising of 4 lakes and nearly a mile stretch of the river Wensum. The largest lake 'Taverham Mill Lake' is a beautifully mature, heavily tree lined lake of 22 acres. This is predominantly a carp and tench lake with fish up to 35lb in weight. Two further carp syndicate lakes are featured across the nature reserve and these contain specimen carp up to 40lb in weight.

Over the last 4 years the lakes have been stocked regularly with beautiful scaly mirrors and commons from VS Fisheries, Priory Fisheries and Dinton Fisheries. Anglian Water will continue a comprehensive 5 year stocking programme across the lakes introducing young fish every year.

Where you can fish:

Taverham Mill Lake

Taverham Mill Lake boasts carp to 35lb and Tench to 9lb amongst other species, including Roach, Perch, Pike and a few Eels that are rare visitors to the bank. The recently installed otter fence is proving effective in keeping the Taverham Mill Lake fish safe from predation. All of the lakes are now fully fenced to protect the incredible stocks for the future.

With every feature imaginable including; lily beds, weed, gravel bars and overhanging margins, it is the perfect challenge for coarse anglers. Simple tactics work including small solid pva bags, chod rigs and other pop up presentations. As the Mills Lake is so irregular in shape, location is key and advice is always on hand in the on-site visitor centre for the latest information.

Coarse Fishing

Costessey No.1 Lake (day ticket water)

Costessey No. 1 Lake is our day ticket lake and this offers some excellent mixed coarse fishing from easy access swims and ample secure car parking. The lake is predominately a water for families and junior anglers to learn how to coarse fish in the traditional way, on the float and feeder. Costessey No.1 Lake is also home to some large pike up to 20lb+

Costessey (Ski Pit) & Costessey No.3 Lake

The Costessey Ski Pit and Costessey No.3 Lake are both mature gravel pits stocked with specimen carp up to 40lb in weight. The fishing is challenging with plenty of features, spacious swims and small syndicate membership. Both lakes are fully otter fenced and members have a combination code to the car parks at each end of the lakes.

These famous old waters are home to a stunning stock of mixed strained mirrors and commons from VS Fisheries, Dinton Pastures and our very own Anglian Water lagoons.

At the fishery there is a newly renovated self-catering accommodation block that sleeps up to 8 people with double and twin bedrooms. Staying in the accommodation allows guests free fishing on Taverham Mill Lake and the river Wensum. The on-site tackle shop is stocked with everything you will need to approach the fishing on the lakes and river including brands such as Korda, Trakker, Nash, Fox, CC Moore and Sticky Baits. Advice is always on hand from the staff and water bailiffs to help in any way we can.

For further information on accommodation call us on 01603 861 014

Alton Water is the largest Suffolk inland water nestled amongst over 400 acres of beautiful countryside. The reservoir is just over 300 acres and has been a fantastic mixed coarse fishery since the 1980s.

Alton Water

Alton Water offers the coarse angler a wide variety of opportunity; from quality roach and bream fishing, specimen pike fishing during the colder months and for those in search of some nomadic and unchartered angling, there are some stunning mixed strain carp. There is also the potential of some larger, older fish amongst the existing carp stock. Over recent years the angling has improved immensely, with some excellent coarse and predator fishing to be had. Good bags of quality sized bream and roach have been caught over the best months of the season. In particular, the roach numbers have been a highlight of the last few seasons with some fantastic catches including specimen sized fish. With a forward thinking stocking plan there is a bright future for the water. The well known V S Fisheries have stocked the reservoir with some stunning carp over the last 4 years and this is set to continue year on year. There have been some notable catches of carp caught over these early years with stocked fish already reaching weights in excess of 28 pounds. Predator angling continues to improve year on year and with boat access also now available to anglers, this has seen good results from areas previously inaccessible to the angler. If you enjoy some stunning vistas and angling on a larger scale, Alton Water is a beautiful setting to enjoy some varied fishing. All forms of the pursuit can be explored on the reservoir and it is this traditional outlook on coarse fishing, in all of its forms, that makes this historic venue stand out.

With our new campsite why not make it a holiday and explore Suffolk at the same time. Campsite booking is available online at www.anglianwaterparks.co.uk/campsite

See our Predator Season Calendar below and prices on page 15 or visit our website at www.anglianwaterparks.co.uk for full details on fishing and more!!

FLY Fishing Holiday Breaks

**THREE DAYS FLY FISHING
AT £35 PER ANGLER PER DAY**

**ADDITIONAL DAYS
ONLY £30 PER ANGLER**

Single man price available

Based on two anglers sharing a boat for three consecutive days or more fishing at our four prestigious fisheries all within 40 minutes drive.

Fishing includes the fishery bag limits each day plus catch and release. There is a 10% discount on any tackle you buy at the Lodges during your stay. Telephone the Fishing Lodge of your choice to book your holiday.

WHAT THE ANGLERS THOUGHT

'A day to remember'

"Superb fishing for a great club outing or holiday with a friend"

'The quality of the fish at Rutland this season is outstanding'

'That's the best days trout fishing I've ever had'

love every drop.
