Fishing Rules for Rutland, Grafham, Pitsford & Ravensthorpe Waters

These rules are to help you enjoy your day safely

Your attention is also drawn to Anglian Water's Water Parks Byelaws and local fishery rules.

Boat and bag searches may be carried out by the fishery staff at any time.

Infringement of any rules, other than with the written consent of Anglian Water, may result in an immediate ban from fishing and possible prosecution under the Water Parks Byelaws.

Anglian Water reserves the right to vary these rules without notice to meet changing circumstances and in the interest of customers safety.

General

1. Anglers must be in possession of a valid permit and rod licence before commencement of fishing. Permits are not transferable.
2. Anglers must complete a catch return before leaving the water
3. Car parking permits must be displayed in anglers vehicles when parked and anglers must at all times use the appropriate car park. Parking is at anglers own risk and the company accepts no responsibility for losses or damage to the vehicle or anything therein.
4. No live fish to be removed.
5. Anglers must cease fishing during thunderstorms.
6. The company reserves the right to order all fishing to stop at any time.
To restrict access to any part of the lake and to cancel or refuse permits at any time to any person without assigning any reason for doing so and without making a refund to the permit holder.
7. Stop the spread of invasive aquatic species. Check - Clean - Dry your equipment and clothing.

Trout fishing

8. Fishing is only permitted with a natural or artificial fly except on specified days.
9. Each permit authorises the use of one rod and one reel only at any one time. No anglers may fish with more than four hook points and treble hooks are not permitted.
10. All brown trout caught between 30 October and 31 March inclusive must be returned alive.

11. One brown trout allowed per bag limit.
12. Anglers caching their bag limit must cease fishing or purchase an additional permit.
13. Fish must not be gutted on the bank or boat.
14. Junior permits are available to those under the age of 18 years.

Catch and release

15. Barbless / debarbed hooks only.
16. The use of buoyant flies on sinking lines is prohibited, i.e. boobies.
17. No double, trebles, tandems or very large hooks to be used
18. No rudder, trolling or side oar fishing allowed.
19. Use stronger than usual line (recommend 8lb+) and bring in quickly.
20. Any bleeding or badly damaged fish must be killed and handed in to the fishery staff.
21. Release tools should be used where possible and are available from all of our fishery tackle shops, along with barbless flies.
22. Ideally a net should not be used, but if unavoidable please unhook fish in the net with care.
23. Use mini or micro mesh landing nets only.
24. Electric engines are allowed.
25. You may be asked to move away from recently stocked fish.

Predator fishing (pike & zander)

26. No pike to be taken and only one zander under 3lb may be taken during the season stated for the individual fishery.
27. No trolling under power
28. A maximum of two rods per angler is permitted.
29. No live baiting permitted.
30. Lures or fly subject to local fishery rules.
31. Pike fishing lures must be over 18cm with barbless hooks and zander lures must be over 13cm.
32. Wire traces to be used at all times.
33. Fly fishing flies must be a minimum of 10cm with wire trace from 16 May.
34. Dead sea fish baits over 18cm are permitted from 1 October (excludes lamprey).

35. Unhooking mats must be used and all trout must be returned alive. If a trout is badly hooked and has to be killed it must be handed into the fishery staff.
36. All boat fishing rules apply.

Bank fishing

37. Bank fishing is permitted from 8.00am at Grafham and Ravensthorpe, and from 5.00am at Rutland and Pitsford.
38. Waist or chest waders may be worn, but anglers are prohibited from wading more than thigh deep.
39. During low water levels there may be restrictions on wading or bank fishing.
40. Bank fishing is prohibited from the nature reserves, sailing clubs and draw off towers at all waters and the dam and causeway at Pitsford. Other prohibited areas are displayed at the fishing lodge and in our brochure.
41. It is not recommended to fish the public car park frontages during weekends and bank holidays or busy times. Anglers may be asked to move by wardens in the interest of public safety.
42. No wading permitted along the face of the dam.

Boat fishing

43. Thwart boards recommended, all other boat seats only on approval of Warden and must be secured.
44. Waders in boats - neoprene and breathable only allowed.
45. Some boats may carry a maximum of three persons, at least one of whom must be an adult, each person fishing must be in possession of a valid permit.
46. Single man boats and wheelyboats will only be let onto the water at the discretion of the warden and anglers must carry a mobile phone.
47. At least one angler in a boat must carry a mobile phone.
48. Juniors from 10 years old may fish from boats provided they are accompanied by an adult over 21.
49. Life jackets are compulsory at all waters and must be worn before going onto the pontoon. They must be returned to the warden after fishing. We recommend you service your own life jacket annually.
